Overall Length:

6.040 inches

Overall Width:

4.880 inches

Material Thickness:

3.880 inches

Side For Which Designed:

Right side

Aircraft Location:

Leading edge flap

Aircraft Mission Design Series:

F-4

Material:

Aluminum alloy

Material Specification:

Qq-a-367, 2014 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
