Mounting Hole Diameter:

Between 0.281 inches and 0.288 inches

Mounting Hole Quantity:

8

Mounting Hole Location:

Mounting flange

Material:

Aluminum alloy, qq-a-601, alloy 356, temper t6

Material:

Aluminum alloy 356.0

Material Specification:

Qq-a-601, alloy 356, temper t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T261-f
