Overall Length:

26.620 inches

Overall Width:

11.830 inches

Aircraft Location:

Fuselage dive flap

Aircraft Mission Design Series:

T-33

Special Features:

Matl: magnesium alloy

Material Specification:

Qq-m-55 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
