Overall Length:

25.000 inches

Overall Width:

19.000 inches

Side For Which Designed:

Right side

Aircraft Location:

Horizontal stabilizer elevator

Aircraft Station Number:

Ele sta 82.229

Aircraft Mission Design Series:

C-5

Special Features:

C/o 2 bushing, 1 support

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
