Overall Length:

8.050 inches

End Application:

F-102 aircraft

Aircraft Location:

Duct support bracket

Aircraft Mission Design Series:

F-102

Material:

Titanium

Material Specification:

Ams 4901 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
