**Securing Device Type:**

Flush catch and hinge

**Special Features:**

Spring loaded self-closing

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5, t4 federal specification single material response

**Fsc Application Data:**

Wing section, inner, airframe

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531m0
