**Overall Width:**

2.000 inches

**Aircraft Mission Design Series:**

F-84

**Special Features:**

0.191 in diameter mntg hole 4 places

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
