Aircraft Location:

Taxi light

Aircraft Mission Design Series:

F-84

Special Features:

6.250in from slotted hole to end

Material:

Steel

Material Specification:

Mil-s-18729 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-s-18729 spec.
