**Overall Length:**

7.520 inches

**Overall Width:**

2.620 inches

**Aircraft Mission Design Series:**

F-104

**Special Features:**

Bracket, pulley, flight; 2.060in id, 0.198in min, 0.204 maximum diameter hole through 3 places, 0.193in min, 0.199 maximum diameter hole through 1 place

**Material:**

Magnesium alloy

**Material Specification:**

Qq-m-56 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
