Overall Width:

1.980 inches

Aircraft Location:

Door operating mechanism

Aircraft Mission Design Series:

F-104

Special Features:

Matl: steel

Material Specification:

Mil-s-6050 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-s-6050 spec.
