**Overall Length:**

18.300 inches

**Overall Width:**

6.200 inches

**Material Thickness:**

0.040 inches

**End Application:**

F-4

**Side For Which Designed:**

Left side

**Aircraft Station Number:**

Xb100.540

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
