**Overall Length:**

2.000 inches

**Overall Width:**

1.000 inches

**Material Thickness:**

0.375 inches

**Aircraft Mission Design Series:**

T-33

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-355 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
