End Application:

C-130

Aircraft Location:

Fwd nose landing gear

Aircraft Mission Design Series:

C-130

Material:

Aluminum alloy

Material Specification:

362 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

spec.
