Overall Width:

2.500 inches

Aircraft Location:

Wing beam attaching

Aircraft Mission Design Series:

F-104

Special Features:

Matl: alum alloy; 0.250 min, 0.253 maximum diameter hole through base

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
