Overall Length:

8.750 inches

Overall Width:

2.000 inches

Material Thickness:

0.064 inches

Aircraft Mission Design Series:

T-28

Material:

Aluminum alloy

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
