Overall Length:

80.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.050 inches

Side For Which Designed:

Right side

Aircraft Mission Design Series:

C-130

Special Features:

U/o- nose ski mod kit

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
