Aircraft Access Door - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1560-00-716-8508

Cross Sectional Shape:
Flat
Edge Shape:
•
Rectangle, no holes
Length:
6.281 inches
Body Thickness:
0.032 inches
Securing Device Type:
Flush catch and hinge
Material:
Magnesium alloy az31b
Material Specification:
Qq-m-44 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A531m0
