Cross Sectional Shape:

Flat

Edge Shape:

Rectangle, no holes

Length:

6.281 inches

Body Thickness:

0.032 inches

Securing Device Type:

Flush catch and hinge

Material:

Magnesium alloy az31b

Material Specification:

Qq-m-44 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531m0
