Overall Length:

2.760 inches

Overall Width:

2.230 inches

Aircraft Location:

Aileron

Aircraft Mission Design Series:

C-141

Special Features:

C/o: four 0.199in. Diameter mtg holes spaced on 1.380in x 1.000in mtg ctrs, 1 bearing included

Height:

1.180 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
