Overall Length:

3.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.150 inches

Aircraft Location:

Aileron tab

Aircraft Mission Design Series:

C-141

Special Features:

U/a: hinge bracket

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
