Product Name:

Fairing assembly

Aircraft Location:

Fairing assembly- trailing edge tank pylon, kit

Aircraft Mission Design Series:

C-130

Special Features:

C/o: skin, stiffeners, seals, fillers, doublers, retainers, formers, rivets, & lock

Material:

Aluminum alloy

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
