Product Name:

Duct-engine bleed air, air conditioner, add heat rel crew compt. Assembly of

Aircraft Location:

Air conditioner

Aircraft Mission Design Series:

C-5a

Special Features:

14.000 in. Lg

Material:

Titanium

Material Specification:

Mil-t-9046 military specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-t-9046 spec.
