Aircraft Location:

Hydraulic reservoir

Aircraft Mission Design Series:

T-37

Special Features:

Matl: 9.680 in. Dia

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
