Aircraft Location:

Radome

Aircraft Mission Design Series:

B-52

Special Features:

U/a: radome pin bracket

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
