End Application:

F-104

Aircraft Location:

Fairing installation fin tip

Special Features:

C/o strip, leading edge, former, miscellaneous hardware

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
