Material Thickness:

0.032 inches

Material:

Titanium alloy

Material Specification:

Mil-t-9046, type 1, comp a, annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9046 spec.
