Material Thickness:

0.385 inches

Aircraft Mission Design Series:

C-141

Special Features:

Core data 3/16 1 on 5059 type 1

Material:

Aluminum alloy

Material Specification:

Qq-a-250/t federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
