## NSN 1560-00-908-1813

Fire Detector Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1560-00-908-1813

## **General Description:**

Steel 302, stainless, connector w/12 in. Lg wire attached at 30.0 degrees to connector plane, 1125 vac rms 60 cps dielectric strength, 500 vdc insulation resistance, 0.062 in. Thk triangular mtg flange w/3 mtg holes on 0.500 in. Radius bolt circle at 90.0 degrees to connector plane, 0.438 in. Hex agavgaircraft model t38

Shelf	Life:
N/a	

**Unit Of Measure:** 

--

Demilitarization:

Yes - demil/mli
