**Material Thickness:**

0.375 inches

**Aircraft Mission Design Series:**

C-141

**Special Features:**

Core data 3/16-1on, type 1, t3

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
