Side For Which Designed:

Right side

Aircraft Location:

Wing flap landing

Aircraft Mission Design Series:

A-4

Special Features:

Material type t6

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
