Overall Length:

8.920 inches

Overall Width:

5.825 inches

Aircraft Mission Design Series:

H-53

Special Features:

C/o 1 trunnion, 1 bearing

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-283 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
