Material Thickness:

0.359 inches

Aircraft Mission Design Series:

C-141

Special Features:

Core data 3/16-1on 5052 type 1

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
