Width:

12.580 inches

Edge Shape:

Rectangle, no holes

Corner Radius:

0.500 inches

Securing Device Type:

Flush catch and hinge

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531m0
