Overall Length:

9.400 inches

Overall Width:

9.380 inches

Aircraft Mission Design Series:

C-7a

Special Features:

Matl: alum alloy; u/a: bracket, transmitter oil support

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
