Overall Length:

83.500 inches

Overall Width:

3.500 inches

Thickness:

0.040 inches

End Application:

Kc-135 statotanker!

Aircraft Location:

Cowl panel assembly

Aircraft Mission Design Series:

Kc-135 tanker

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
