Overall Length:

2.000 inches

Overall Width:

1.650 inches

Aircraft Mission Design Series:

F-111

Special Features:

U/a: bracket, actuator, washer; matl: alum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
