Overall Length:

2.740 inches

Overall Width:

0.068 inches

Material Thickness:

0.040 inches

Aircraft Location:

Egress step bracket

Aircraft Mission Design Series:

F-111

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
