End Application:

Airframe structural components

Special Features:

Make from forging part no. 5-71706-501, fscm 82918, 47.140 in. Lg, tooling point, one end forked 0.560 in. Dia, heat treat t73 tempered per bac5602

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
