Overall Length:

15.900 inches

Overall Width:

4.000 inches

Material Thickness:

2.250 inches

Aircraft Mission Design Series:

A-10

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
