Overall Length:

48.330 inches

Overall Width:

24.020 inches

Aircraft Location:

Tank nose section

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
