Overall Length:

40.000 inches

Overall Width:

19.000 inches

Thickness:

0.080 inches

End Application:

F-111

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4-t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
