Overall Length:

9.880 inches

Overall Width:

1.120 inches

Material Thickness:

0.250 inches

Product Name:

Strap

Aircraft Location:

Repair fuselage station 734.716 frame

Aircraft Mission Design Series:

C-141

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
