End Application:

C-141

Special Features:

Aluminum 7079, t6, bare; variation of thickness not to exceed 0.012 in.

Material Specification:

Mil-a-8877 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-a-8877 spec.
