Aircraft Mission Design Series:

F-16

Special Features:

Matl: 1.600in w, ctr sect 0.900in lg; 2 interior angles w/curved center section

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
