Overall Length:

2.360 inches

Overall Width:

0.250 inches

Aircraft Location:

Torsion bar retainer sleeve

Aircraft Mission Design Series:

E-3a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
