**Overall Length:**

18.000 inches

**Overall Width:**

13.000 inches

**Thickness:**

0.125 inches

**End Application:**

Aircraft model f-16b usaf

**Special Features:**

Located from fuselage station 175to fs 189; eff 0002 on; nha 16b2700-3

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/4-t81 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11700
