Overall Length:

6.750 inches

Overall Width:

1.120 inches

Thickness:

0.125 inches

End Application:

F-111

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
