Overall Length:

6.000 inches

Overall Width:

4.000 inches

Material Thickness:

2.500 inches

Aircraft Location:

Annulus lower

Aircraft Station Number:

Fs770.25

Aircraft Mission Design Series:

Fb-111

Special Features:

Chem mill per fps 1051, contoured

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
