Overall Length:

6.000 inches

Overall Width:

5.000 inches

Material Thickness:

0.375 inches

Aircraft Location:

Lower outboard fillet

Aircraft Mission Design Series:

Fb-111

Special Features:

Contoured; instl p/n 12b13354-2

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
