Side For Which Designed:

Right side

Aircraft Location:

Vertical stabilizer

Aircraft Mission Design Series:

F-16

Special Features:

Fwd attachment fitting

Material:

Aluminum alloy

Material Specification:

Ams4149-t736 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
